America the Beautiful Interagency Pass Program

The passage of the Federal Lands Recreation Enhancement Act of 2004 created a new discount program for Federal agencies called the America the Beautiful Interagency Pass Program. This new program was implemented on January 1, 2007. While the legislation did not authorize the Corps full involvement in this new pass program, the Corps will honor America the Beautiful pass holders with a 50 percent reduction of user fees at Corps recreation facilities, including camping fees. The Corps, however, is not authorized to sell or otherwise issue passes used for this new program. For information on the new pass program, point your browser to [Federal Pass Program](#). At this time only the new America the Beautiful Senior or Access Passes will be honored at Corps recreation facilities.

The Act also discontinues the Golden Passport Program for all agencies. New Golden Age/Access passports will not be issued after December 31, 2006. Previously issued passports will remain valid until they are lost, stolen or expire (lifetime of the card holder). Current passport holders who lose, misplace or deface their Golden Age or Access Passports must obtain the America the Beautiful Senior or Access Pass from one of the authorized Federal agencies in order to continue to receive fee discounts Corps at Corps and/or other Federal agency recreational facilities.

Discounts include:

A discount of 50 percent of the established recreation use fee (the camping fee at Albeni Falls) will be provided to visitors 62 years of age and older who present a valid Golden Age Passport or a new America the Beautiful Interagency Senior Pass issued by another Federal agency. These are the only forms of documentation acceptable to receive age-based discounts.

A discount of 50 percent of the established recreation use fee (the camping fee at Albeni Falls) will be provided to visitors who are permanently disabled who present a valid Golden Access Passport or a new America the Beautiful Interagency Access Pass issued by another Federal agency. These are the only forms of documentation acceptable to receive disability-based discounts.
